

**Project name :** Student job

**Projects idea :** A simple app that helps students find part-time or internship opportunities that fit their schedules and studies.

It offers an easy-to-use interface to search and apply, with filters by field, working hours, or remote options.

The goal is to connect students with employers quickly and help them gain practical experience while studying.

**Team members :**

Haneen Marwan

Rana Elsharef

Fatma Hesham

Mohammed Hussen

Mohamed nasr
